## REPORT OF COUNTY COMMISSIONERS.

TO THE CITIZENS OF STRAFFORD COUNTY.

As required by law we present our fourth annual report, together with the report of the other county officers.

The financial condition of the county is satisfactory. The debt has been reduced in the last four years from \$66,479.88 to \$47,466.51, a reduction of \$19,013.37.

Again we are glad to report that we have been able to retain the services of Mr. and Mrs. Willand as superintendent and matron at the County Farm the past year, and that they and their assistants have faithfully performed their duties, as well as all the other county officers.

The county buildings are all in good repair, and with a small outlay each year they can be kept so.

Thanking all officers and citizens of the county for their aid and assistance, we remain,

JAMES A. REYNOLDS,	} Commissioners	
JABEZ H. STEVENS,		of
GEO. H. YEATON,		Strafford Co.

## REPORT OF SUPERINTENDENT.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

Gentlemen—In accordance with the prescribed custom of years, I have the honor to submit, for the year ending Dec 31, 1900, the following report of the financial condition of Strafford County Farm, together with certain statistics relative to the inmates of the institution.

The favorable comments of the many visitors to the Farm bear witness to your wisdom, in causing to be made, in and around the buildings of the institution, not only necessary improvements, but agreeable and homelike ones as well.

Our duties as Superintendent and matron have been made lighter and pleasanter than could otherwise be, but for the very congenial relations existing between your worthy board, ourselves, and all assistants at the Farm.

Respectfully submitted,

EDWARD A. WILLAND,  
Superintendent.

## REPORT OF CHAPLAIN.

---

TO THE COMMISSIONERS OF STRAFFORD COUNTY.

GENTLEMEN :—

For the year 1900 my work has been much the same as reported for my first year of service. Sabbath services have been held when deemed advisable. The sick have been visited and aided in such ways as were consistent with the office of chaplain, and those able to help in the care of others less fortunate have been urged to do so as a religious duty and privilege.

The celebration of Christmas with music and prayer, and remarks by the Rev. W. S. Beard of Durham, followed by the distribution of presents and fruit for the sick confined to their rooms made the occasion one to be remembered with joy. Thanks are due the young ladies from Dover, Mr. Willard and friends for success.

The presence of the Commissioners and their kindly interest in the welfare of the inmates added much to the enjoyment of the day.

Respectfully submitted,

H. E. WILSON, CHAPLAIN.

## REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF STRAFFORD COUNTY :

During the past year we have had about the usual amount of sickness, no epidemic, and among the Dover poor the ratio has been a small percentage greater. At the jail we have had more sickness than at any time during the past four years.

This latter condition was caused entirely by the patients being afflicted with one of many diseases before being incarcerated.

Thus far we have had fourteen deaths, ten of them being over age of sixty, and three births.

Both at farm and jail the quarters are in good sanitary condition and best of care is taken of the sick. I have received the most courteous attention and assistance from Supt. Wil-land and wife, and also from Sheriff Hayes and wife.

The Commissioners I have found always ready to assist the poor unfortunates to the best of their ability. Thanking them all for kindness and assistance to me, I remain,

Most respectfully,

DR. T. J. WARD, County Physician.

## AUDITORS' REPORT.

---

DOVER, N. H , Jan. 30, 1901.

We hereby certify that we have examined the accounts of the County Commissioners, Superintendent of the County Farm, Jailor and County Treasurer for the year ending Dec. 21, 1900, and find the same correctly cast and properly vouched.

We further certify that the sums named in the vouchers examined by us are to the best of our knowledge and belief according to the market value of the articles charged therein, and believe such articles to have been used for the benefit of the County.

In our examination of the County accounts our attention has been arrested by large expenditures of the County which we deem excessive, and which can, and should be checked. The great number of criminal trials in the County during the last few years has necessarily imposed a considerable burden upon the taxpayers, but this in our judgement has been made much heavier than it need be.

In our opinion the expenditure for what is called "expert testimony" is excessive, and we believe the publication of the items and totals of such expenditures would convince the citizens of the County that an abuse has grown up in this respect, and attained large proportions, and that a remedy ought in some way to be found.

We deem it our duty to call attention to this matter, and we suggest that as the County Commissioners are in no way responsible for this excessive expenditure, some means ought to be devised by law, or taken by a wise discretion of officers

of the County who are responsible for it, to limit the employment and the cost of expert testimony.

The cost of pauperism and crime to the taxpayers of Strafford County is on the increase, and may well alarm all good citizens and friends of civilized society. We have no purpose to go into details; but an inquiry into the densely crowded population of our Jail and our County Farm, and especially the aid which the County Commissioners find themselves compelled to furnish for the support of destitute families, impoverished by the dissipation of their heads, will convince any thoughtful person that something should be done to correct their evils.

It is our belief that a great relief from these burdens would be found in a strict enforcement of the laws of the State.

We therefore recommend that the public officers charged by law with the duty of enforcing their statutes, whose violation leads, as all know to a constant recruiting of the ranks of paupers and criminals, be held by the tax-payers to a strict accountability in this respect.

The following is the cost to the County of the several departments named during the calendar year 1900. viz :

Expenses of County Farm,.....	\$17,831 66
“        “        Paupers,.....	18,985 55
“        “        Jail.....	5,840 41
“        Insane at Concord,.....	4,289 81
“        Supreme Court,.....	11,875 48

We recommend that decisive measures be taken to diminish each and every one of the burdens upon the tax-payers of the County.
